

**SmartSide™**  
Siding & Exterior Trim Products

## THERE'S A SMARTER, BETTER AND FASTER WAY TO SIDE YOUR HOME.

It's SmartSide™ treated engineered wood lap siding. So advanced, Smartsiding saves you time and money every day by going up fast and easy without the costly cutting tools and high-tech respirators like fibre cement. SmartSide siding's lightweight 16' lengths also provide 33% more coverage per piece than fibre cement while bringing out the beauty of your home. Comparing warranties? Well, SmartSide simply outsmarts fibre cement with a 30-year/7-year 100% repair/replacement limited warranty. For product samples or a copy of our warranty visit our web site at [www.smartsideonline.com](http://www.smartsideonline.com) or the nearest dealer listed below.
